

# GOMAPS®

Bringing the best cartography to your home

## Transform rooms with stunning maps

GOMAPS® is a small innovative company, intent on inspiring people to see and use maps as things of relevance and beauty, for interior decoration.

GOMAPS® has access to a huge range of maps from iconic, up-to-date Ordnance Survey maps and their historical maps, world street maps, exclusive Admiralty marine charts, world satellite imagery, A-Z street maps, and rare maps from around the world.

Each mural can be easily made and ordered using the online map portal. Browse the map styles, find a location and see an instant quote.

Available in a range of map styles to suit your taste and décor

Printed wall coverings and bespoke materials upon request

Delivering the printed product or digital file - ready to fit yourself or install for you.
